

Eli Robinson

Student, Cornell University

Cornell University, 215 Garden Ave, Ithaca, NY, 14850

✉ emr255@cornell.edu ☎ (123) 456 7890 🌐 [Eli-Robinson](#)

Experience and Skills

15 years of experience kicking rocks to keep them going while walking

Professional at sliding, some examples include

- Socks on wood floox

- Ice on pavement (somewhat dangerous)

- Water-park slides

- Playground Slides

Can Run under a 10 minute mile

Fun Facts

I was Born in Ithaca!

I really like cruncchy snow under my feet

Currently trying to learn about country capitals and major cities of the world

A picture of my family cat, Willow!

Favorite Equation

My Favorite equation is

$$e^{i\pi} + 1 = 0$$

I like this equation because the derivation is relatively simple to comprehend and it is really cool to see some of th most interesting numbers such as e, i, pi, 0 and 1 all incorporated into the same equation.
